Head of Fundraising Appointments

Peridot Partners

Eddie has worked with some of the largest and most well-known charities and institutions in the UK and has an exceptional track-record when supporting organisations through strategic change or growth.

After a successful 8-year career in accounting and finance recruitment where he worked his way from a junior consultant to leading three offices with a headcount of 35 FTE, he then joined the charity sector in 2014. Entering the charity sector as a fundraising coordinator and finishing up as Head of Development, in between was an enjoyable and successful 7 years in the sector; from living in Ghana and discussing the SDGs in the President's office, building a website in the jungles of Southern India, launching a partnership with EA, FIFA, and Hummel, to winning the Chartered Institute of Fundraising 'Fundraiser of the Year Award 2020'.

Now Eddie puts all his 15 years of recruitment and fundraising experience into finding and working with the most talented fundraisers in the market whilst supporting a wide range of charities from small start-up social enterprises to global giants.
