### **Culture and Relations Coach and Consultant**

#### **Lou Chiu Coaching and Consulting Ltd**

Lou (she/her) is a culture and relationships coach, specialising in supporting organisational and individual allies, those who want to make positive social change. As an Existentialist-integrative coach, her work with clients is more personal than technical. She helps clients have difficult but necessary conversations, whether that is overcoming conflict or addressing systemic changes in organisations. Lou is a Consulting Fellow at Halpin Partnerships and Chair of the Board of Trustees at the University of Suffolk Students' Union.
