

Mrs Penny Rudge BSc FCA DChA
Bursar
Wolverhampton Grammar School

Penny Rudge has gained valuable experience as a Bursar at The King's School, Chester and at Wolverhampton Grammar School over the last twenty-one years, after qualifying as a chartered accountant with KPMG after leaving university. Penny is also an ISI Compliance Inspector, holds a Diploma in Charity Accounting and last year, was delighted to be part of the TES winning SLT of the year.

Penny has been a member of the ISBA Board for the last 5 years and was elected Chair in May 2019. It is an exciting (and busy!) time to be involved in the Independent School sector, particularly in a governance role on the ISBA Board, as the ISBA continues to provide a proactive response to current economic challenges as well as adapting its services to meet the changing profile and needs of the Bursars and Support Managers of today.
