

ROUNDTABLE: SUPPORTING REGULATORY COMPLIANCE ACROSS SMALLER FUNDRAISING CHARITIES

January 2018

Attendees are asked to consider the following questions in advance of this meeting:

FUNDRAISING STANDARDS

- Does the Code of Fundraising Practice cover the major regulatory issues facing smaller fundraising charities?
- How could the Code of Fundraising Practice best support smaller fundraising charities to address these issues?
- How could the Code of Fundraising Practice be more accessible to smaller fundraising charities?

SUPPORT TO MEET REGULATORY REQUIREMENTS

- What are the key compliance issues smaller fundraising charities face?
- What guidance can we produce to meet these responsibilities?
- What format would be most useful for such guidance?
- How could the Fundraising Regulator best support smaller fundraising charities to ensure compliance with new data and consent legislation?

SUPPORTING GOOD FUNDRAISING PRACTICE

- What do you understand the benefits of registration to be for smaller fundraising charities?
- How smaller charities commonly hear about developments in regulation and your legal responsibilities?
- What would be the best way to engage with smaller fundraising charities to encourage registration?
- Is the current registration process clear?
- What are your views on the current bandings?

PUBLIC COMPLAINTS

- How can we ensure that smaller fundraising charities deal effectively with public complaints?
- Is our process for dealing with complaints to the Fundraising Regulator clear?
- How can the Fundraising Regulator better share learning from complaints and adjudications with smaller fundraising charities?

FUNDRAISING PREFERENCE SERVICE

- Do smaller fundraising charities know what the FPS is?
- If yes, is it clear how the FPS works for smaller fundraising charities?
- How can we ensure that smaller fundraising charities know about their responsibilities regarding FPS?
- Where should the FPS be advertised to ensure smaller charities know about the service?

PRIORITIES FOR YEAR 2

- Are there any additional priorities the Fundraising Regulator should consider to increase engagement of smaller fundraising charities?
