

Janet Perrins

Associate Director (Development)

Marlborough College

Jan spent the first part of her career in journalism, writing and editing for both national magazines and newspapers. For the last 12 years she has worked at Marlborough, joining as a Development Officer so having been involved in all areas of Development from the ground up. This has included successful multi-million fundraising appeals for capital projects. Now Jan is concentrating on major and principal gifts for the Bursary Programme, as well as being the office liaison with the Foundation sponsored pupils, which she describes as the best part of the job!
