

Sam Coutinho

Director

Sam Coutinho Consulting Ltd

Sam is a qualified accountant and for 22 years provided internal and external audit, and advisory services to independent schools in 3 specialist audit firms. Since 2019 she has provided risk and governance advice to the education sector. She has a number of governance roles which give her tremendous insight into the governance and risk challenges facing governors and Senior Leadership Teams. She has never been afraid to positively disrupt and help her clients address some of the uncomfortable challenges they face.
