

Zabina Kosar-Ahmed

Director of Admissions, Development and Marketing

Manchester High School

I am the Marketing, Admissions and Development Director at Manchester High School for Girls. Established as the first girls school in the North of England 150 years ago we are proud to count the Pankhurst daughters as some of our most notable alumnae.

With over 25 years experience in Marketing and Communications , I spent 17 years at The University of Manchester before broadening my horizons to join Manchester High in August 2022 and have not looked back since. This year, I've spearheaded the celebrations for our 150th birthday and kicked off fund raising campaigns for a new bursary appeal as well as capital projects.

I'm mum to a boy and two girls. When I'm not taxiing my children to various activities, I do like spending time with them, I'm getting hooked in to my sons passion for space travel and technology and really enjoy socialising with friends and family.
