

Rowena Gaston

Development Director

Canford School

Rowena has been responsible for strategy and implementation of the Development Programme at Canford School since 2016. Working with and alongside the Canford Community, engaging members and fundraising with a particular focus on increasing accessibility to a Canford education. Having worked in both the commercial and educational sectors, Rowena is a successful leader with a track record of producing, presenting and managing the implementation of innovative business solutions, marketing and fundraising strategies within the third sector. Currently a trustee for the Bourne Foundation, the charitable arm of Canford's partner state school and a former trustee of Lighthouse Arts Centre in Poole. Rowena was previously Chief Executive of two education charities and has a passion for working with schools and teachers to support the furtherance of education.
