

Tara George

Development & Alumni Engagement Director

St. Benedict's School

Tara joined St Benedict's in 2014 to set up the School's Development and Alumni Relations Department and was appointed to the role of Development Director in 2016. Now in its seventh year, she has successfully led the school's first Capital Campaign, Annual Fund appeal, Legacy Society, and most recently launched St Benedict's first Giving Week campaign.

Both fundraising and alumni relations are now successfully established at St Benedict's with the generous support of the Parental and Alumni community. The school's alumni platform, St Benedict's Connect, was launched in 2019 and currently has over 1,000 alumni members.

Tara's interests include Major Donor & Bursary fundraising and Alumni Relations. Tara has volunteered as an IDPE Regional Vice-President since 2017.
