

Rachel Moffatt

Partnerships Manager

St Edward's School, Oxford

Rachel has been in the role of Partnerships Manager at St Edward's School for two and half years. The Partnerships Manager role was a new role to the school in 2021 and she brought her varied background of commercial, events and business experience to the role along with her passion for Social Action. Rachel's role has grown from one of 'outreach' in the community to forming meaningful partnerships with local charities, organisations and schools in Oxford.

Before working at St Edward's School, whilst her children were little, she had her own First Aid Training Business in Henley-on-Thames where she specialised in delivering paediatric First Aid classes. Prior to this Rachel worked in commercial roles at The Oratory School, Wembley City and Fulham Football Club. She has held posts as a Primary School Governor, been an active member of her children's Schools PTA and taught First Aid for free to local schools and charity organisations.
