

Rachael Petrie

Senior Advisor

RSAcademics

Prior to joining RSAcademics, Rachael Petrie spent six years as Director of Development and, subsequently, two years as Director of Communications and Development (External Relations) at the Stamford Endowed Schools. Having run a wide range of successful fundraising and engagement campaigns for the three Stamford schools, involving the development of a broad and complex constituent base, she is a firm believer in the full integration of marketing, communications and branding with development activities.

Before joining Stamford, Rachael spent 15 years in business development roles for Pilkington Plc, Texas Instruments Inc and SAP (UK) Ltd, and 5 years as a freelance consultant. She holds a bachelor's degree in Pure and Applied Physics from the University of Manchester (UMIST) where she is an alumni volunteer.
