

Alexandra West

Bursar

Magdalen College School

Alexandra started her career as an Intelligence Officer in the British Army, serving on two operational tours in Afghanistan. She then entered the world of finance, becoming an Equity Research analyst, covering Aerospace & Defence sectors at Redburn. In 2017, Alexandra joined Reading Blue Coat School as the Assistant Bursar, and then became Bursar at Magdalen College School in 2020. As the beneficiary of a bursary to Millfield as a child, Alexandra feels passionately about broadening access to bursary provision.
