

Dr Owen Carter

Co-Founder and Managing Director

ImpactEd

Owen is the Co-Founder and Managing Director of ImpactEd, a social enterprise partnering with schools and education organisations to support them in evaluating and understanding their impact. Prior to running ImpactEd, he led a number of research and evaluation projects at education charity The Brilliant Club, and developed a digital platform for teacher professional development at Optimus Education. Owen is a winner of the 2018 Teach First Innovation Award, the 2020 Fair Education Alliance Scaling Award, and has been named one of PwC's 'Tomorrow's Business Leaders'.
