

How to book a partnership discount

To qualify

An independent school, working in partnership with a state school, in any capacity, can bring one representative from their partner state school to the HMC and IDPE 2024 School Bursaries and Partnerships Conference, for just £100.

A representative from both the independent and state school must be in attendance at the event

How to book

An independent school should book their place/s as normal using our online registration which will apply any relevant multi-delegate discount.

To book the discounted state school rate, please contact charlie.martin@idpe.uk. A manual booking form will then be issued to you.

Both the independent and state school places will be invoiced separately.

Terms and conditions

This discount only applies to one state school representative from a partner school. Should an independent school wish to bring more representatives from their partner school/s, then they will need to book separately as state school delegates and will be charged the standard state school rate.

There are only 20 discounted places available, and these will be allocated on a first-come, first-served basis.
